

SPONSORSHIP OPPORTUNITIES

Sponsor the 2016 Combined Heat & Power Forum today! Whether you are an established company or organization within the CHP community, or are new to CHP and looking to break into the industry, sponsorship provides a great platform to highlight your business. All sponsors receive a certain number of complimentary conference registrations, logo placement on promotional material, the list of attendees prior to the forum, and visibility to conference attendees, as well as extra benefits for different sponsorship levels. See information below on the different sponsorship levels. Keep in mind, however, that we are happy to work with you to customize your sponsorship to meet your needs. There are many options beyond those listed below, just contact us for more information.

GOLD - \$5,000

- 3 complimentary registrations
- Receive attendee list prior to the forum
- Most prominent logo placement on all promotional conference materials, including the agenda, conference website, and conference announcements
- Custom conference information flyers with your logo on them for use on your website and distribution to contact lists
- Display table within the conference room for handouts and banner displays

SILVER- \$2,500

- 2 complimentary registrations
- Receive attendee list prior to the forum
- Prominent logo placement on all promotional conference materials, including the agenda, conference website, and conference announcements
- Custom conference information flyers with your logo on them for use on your website and distribution to contact lists
- Handouts about your company placed at the registration table

BRONZE- \$1,250

- 1 complimentary registrations
- Receive attendee list prior to the forum
