

Sponsor the 2016 Combined Heat & Power Conference today! Whether you are an established company or organization within the CHP community, or are new to CHP and looking to break into the industry, sponsorship provides a great platform to highlight your business. All sponsors receive a certain number of complimentary conference registrations, logo placement on promotional material, the list of attendees prior to the forum, and visibility to conference attendees, as well as extra benefits for different sponsorship levels. Keep in mind, however, that we are happy to work with you to customize your sponsorship to meet your needs.
